

Directions to 2 Rose Cottages

From London or the M25:

Take the A3 to Hindhead; passing through the Hindhead tunnel, leave the A3 by the first exit directly after you leave the tunnel, following the sign for Haslemere. At the top of the slip road take the third exit off the roundabout, turning right onto a bridge, at the end of the bridge and another small roundabout, take the third exit, following sign to Haslemere.

Continue straight on, over a third mini roundabout, passing the BP service station on your left; at the next double roundabout, turn right on to the A287 (signposted Midhurst). After 2.7 miles turn right onto the A287 (signposted Midhurst). After just under a mile turn right onto the A286, stay on the A286 all the way to Midhurst (going through Fernhurst). On entering Midhurst turn right at the mini roundabout onto the A272, crossing a bridge and proceeding to North Street, the main street through Midhurst.

Over the next mini roundabout, past the bus stand on your left, take the first turn on the left, Knockhundred Row, following the road going through the Market Square to South Street, going down a hill and passing South Pond on your right. 2 Rose Cottages is one of a small terrace of red-brick Victorian cottages on the right immediately after you pass South Pond: the third cottage away from the pond.

From the South, East or West:

Take the A27 to Chichester; go north through Chichester on the ring road and take the A286 towards Lavant & Midhurst. Go through Lavant, West Dean, Singleton and Cocking.

On entering Midhurst turn right at the first mini roundabout into West Street, go to the end of West Street and turn right and downhill onto South Street, which takes you past South Pond on your right. 2 Rose Cottages is one of a small terrace of red-brick Victorian cottages on the right immediately after you pass South Pond: the third cottage away from the pond..
